|                 |   |  |  |
|                 | to authorize approp   | riations for ACDA plus some other amendments   |  |
|                 |   | o the basic ACDA act. The Committee is taking the position that intil AEC, DOD, and CIA appear before the Committee to discuss |  |
|                 | the interplay with ACDA they will take no further action on the bill.  The Committee has asked ACDA to make arrangements for these  |  |  |
|                 |   |  |  |
|                 | agencies to appear of business.   | this week. This, in effect, would put ACDA out   |  |
|                 | 3. The bas  | ic statute on ACDA provides for coordination of  |  |
|                 | its activities with other agencies, and in pursuance of the law   |  |  |
|                 | Executive Order 11044 was issued which provides for procedures for resolution of differences of opinion between ACDA and other  |  |  |
|                 | affected Government agencies on significant aspects of arms control   |  |  |
|                 | _   | and disarmament policy and related matters. In the Executive   |  |
| •               | Order the term "af AEC, CIA, and NA   | fected agencies" is defined to include DOD,<br>SA.   |  |
|                 | 4. At this point we have no request for action from the   |  |  |
|                 | Committee, but it is assumed that ACDA will be in contact with  |  |  |
|                 | the Agency on this.   |  |  |
